

Hydro Licensing Status Workshop 2005 Agenda

Commission Meeting Room

December 1, 2005

The times indicated in this agenda are approximate and intended to assist people in planning. We will try to maintain the schedule, but will not cut short discussions that are forward looking and beneficial to our goals. We will address all projects in the order listed. Consequently, we ask for your patience if a discussion runs longer than expected. If, however, we finish a discussion early, we will recess until the posted time to start the next discussion.

- I. Welcome and Opening Remarks **10:00 a.m.**
- II. Ground Rules
- III. Overview of Previous Workshops and Pending Applications
- IV. Project Specific Discussions (each project discussion includes a staff presentation of progress since the December 2004 Workshop, followed by a general discussion and agreement on remaining actions)
 - A. Maine (4 projects), Vermont (3), New York (1)
 - B. California (6), Washington (3) **11:30 a.m.**
- V. Closing Remarks
